To: ALL PROSPECTIVE FIRMS

Re: INVITATION FOR BIDS: 25-006-LH, Security Equipment for the Law Enforcement Center

**The Invitation for Bids, referenced above, is modified as follows:**

1. In reference to the Access Control & Security System, can you provide me the names of the existing systems you have in place in the Macon/Bibb facility?

Answer: **Provision 4**

2. Do you have a camera brand preference? We will need current camera and NVR manufacturers.

Answer: **No. existing cameras are Pelco and existing NVRs are Altronix Vertiline**

3. Who is your current IT managed service provider?

Answer: **Macon Bibb County IT**

4. Is the intent of this RFP to integrate the commercial access control system with the detention center PLC/doors?

Answer: **Not sure we understand this question. The Detention Center is a separate building where we house lower security inmates. I believe this will be clearer once they attend the walk through**

5. Can the respondent provide pricing for the camera system separate from the access control portion?

Answer: No

6. Can the respondent provide pricing for the access control system excluding the detention center PLC/door tie in?

Answer: No

Please incorporate this change into the Invitation for Bid and acknowledge receipt of this addendum on your bid form.

Sincerely,

*Laura Hardwick*
